## IN THE CLAIMS:

Please amend the claims pursuant to 37 C.F.R. §1.121 as follows:

Please add new claims 19-25 as follows:

19. (New) A pharmaceutical nasal spray comprising an effective amount of a ketorolac-based analgesic admixed with a phospholipid or a bioadhesive polymer, said spray when administered intranasally having a therapeutic blood level compared to that of the same spray when injected.

- 20. (New) The pharmaceutical nasal spray of claim 19 wherein the ketorolac-based analgesic is ketorolac tromethamine.
- 21. (New) The pharmaceutical nasal spray of claim 19 wherein the analgesic is present in the composition in an amount of between 5 to 20% by weight based on total weight of the composition.
- 22. (New) The pharmaceutical nasal spray of claim 21 wherein the analgesic is present in the composition in an amount of 15% by weight based on total weight of the composition.
- 23. (New) The pharmaceutical nasal spray of claim 19 wherein the bioadhesive polymer is selected from the group consisting of polyacrylics, cellulosics, and gums.
- 24. (New) The pharmaceutical nasal spray of claim 19, said spray being free of absorption enhancers.
- 25. (New) A pharmaceutical nasal spray consisting of an effective amount of a ketorolac-based analgesic admixed with a bioadhesive polymer, said spray when administered intranasally having a therapeutic blood level compared to that of the same spray when injected.
